TILEBAR VANITY Amani Collection

tilebar

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT AMANI

The contemporary Amani vanity collection brings an element of urban luxury to any bath. This wall-mounted unit is available in six sizes and three colorways. Models up to 48 inches come with a classic, white integrated countertop, while the 60-inch vanity's countertop is made of sintered stone, a marble lookalike that resists stains, scratches, and heat. Spacious cabinets and an open shelf give Amani the best of both worlds—out-of-sight storage and display space.

- Sleek, modern black hardware lends urban appeal.
- Available in your choice of a walnut or melamine finish over oak.
- Clean lines and contemporary colorways enhance a variety of settings.
- Dual cabinet doors provide access to ample storage.

TILEBAR VANITY Glendale Collection

tilebar

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT GLENDALE

Designed in a clean and classic style, Glendale has an unassuming way of elevating any bath. This traditional-leaning, freestanding collection features inset panel doors and drawers, with brushed nickel or brushed gold hardware. A plywood case and solid wood construction mean it's made to last. Choose from five different sizes.

- Available in three matte finishes: White, Gray, and Navy
- Carrara marble countertop and ceramic undermount sink
- Freestanding installation, with soft-closing drawers
- Elegant brushed metal hardware

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT ICONIC

There's no name more fitting for this clean-lined, contemporary vanity collection than Iconic. It exemplifies the performance and classic good looks you want a vanity to add to any bath, in your choice of a black, navy, or white finish with two soft-closing drawers. Iconic comes with a Carrara marble or quartz countertop and ceramic basin.

- Genuine Carrara marble countertop with a ceramic basin
- Easy-to-install freestanding design
- Decorative hardware adds luster
- Durable; solid wood over plywood

TILEBAR VANITY Auburn Collection

WHY TILEBAR?

TileBar is pleased to offer a curated selection of James Martin Vanities. This manufacturer's reputation as an industry leader is well-earned. James Martin Vanities have everything TileBar customers value: high-quality design, fresh style, and an accessible price. What's more, when you order from TileBar, your vanity will be shipped and delivered in a matter of days.

WHAT WE LOVE ABOUT AUBURN

A hint of rustic elegance enhances the modern, urban style of the James Martin Vanities Auburn collection. This statement-making, open vanity features Poplar veneers over solid wood construction and a wire-brushed, weathered finish. In contrast: your choice of a bold, matte black or glossy white high-profile sink. This collection of freestanding vanities is available in two convenient sizes, with or without countertops.

- Integrated towel bar and display shelf offer functional and decorative storage.
- A high-profile sink offers a deep basin that helps contain splashes.
- Modern vanity makes a bold statement without requiring a large space.
- A matte black towel bar contrasts with the weathered wood base.

TILEBAR VANITY Brooklyn Collection

WHY TILEBAR?

TileBar is pleased to offer a curated selection of James Martin Vanities. This manufacturer's reputation as an industry leader is well-earned. James Martin Vanities have everything TileBar customers value: high-quality design, fresh style, and an accessible price. What's more, when you order from TileBar, your vanity will be shipped and delivered in a matter of days.

WHAT WE LOVE ABOUT BROOKLYN

With an airy, open design and robust wooden frame, the James Martin Vanities Brooklyn collection strikes a unique aesthetic balance. In addition to its open storage, this collection also boasts a single, soft-closing storage drawer on the 24-inch model, and two on the 40-inch. These freestanding vanities look right at home in a rural cottage, an urban loft, and everything in between.

- Two available wood grain finishes
- Freestanding installation
- Solid surface sink included, with single pre-drilled faucet hole
- Dark metallic hardware included

TILEBAR VANITY Chianti Collection

WHY TILEBAR?

TileBar is pleased to offer a curated selection of James Martin Vanities. This manufacturer's reputation as an industry leader is well-earned. James Martin Vanities have everything TileBar customers value: high-quality design, fresh style, and an accessible price. What's more, when you order from TileBar, your vanity will be shipped and delivered in a matter of days.

WHAT WE LOVE ABOUT CHIANTI

A simple, uncluttered silhouette and sleek hardware give the James Martin Vanity Chianti collection its modern appeal. The collection offers unique flexibility with reversible door panels and a choice of wall-mounted or freestanding installation options. This space-saving vanity is available in two compact sizes, in three colorways, and with an optional countertop. Choose from brushed nickel, black, or gold finish hardware for a look that is all your own.

- A high-profile sink features a deep basin
- Finish protects from moisture and UV damage
- Soft-closing doors offer ample storage
- Reversible door panels offer two looks

TILEBAR VANITY Emmeline Collection

WHY TILEBAR?

TileBar is pleased to offer a curated selection of James Martin Vanities. This manufacturer's reputation as an industry leader is well-earned. James Martin Vanities have everything TileBar customers value: high-quality design, fresh style, and an accessible price. What's more, when you order from TileBar, your vanity will be shipped and delivered in a matter of days.

WHAT WE LOVE ABOUT EMMELINE

The dramatic, decorative geometry of the James Martin Vanities Emmeline collection features an exquisite artisanal design balanced by functionality and a wire-brushed Pebble Oak finish. Emmeline is available in two sizes, each with deep and wide drawers. Choose one of five countertop options to complement your tile and complete your bath's custom look.

- Available in two sizes; 36-inch with a single sink, 72-inch with two sinks.
- Pebble oak finish with five different countertop options and brass hardware.
- Freestanding installation.
- Front features an artisanal look.

James Martin Vanities have everything TileBar customers value: high-quality design, fresh style, and an accessible price. What's more, when you order from TileBar, your vanity will be shipped and delivered in a matter of days.

WHAT WE LOVE ABOUT HUDSON

Bring the look of sophisticated, high-quality furniture to your bath with the James Martin Vanities Hudson collection. White Oak, cathedral grain veneers, and panel detailing define this premium collection of freestanding vanities, available in three sizes. Choose from Carrara marble or four quartz countertops. Adding a touch of modern luxury: roomy, soft-closing drawers lined in brushed aluminum, brass hardware, and dual power and USB outlets.

- Convenient power and USB outlets are located inside cabinet doors.
- Cabinets are treated with a premium finish to protect against moisture and UV damage.
- Soft-closing drawers, lined in brushed aluminum, offer ample storage.
- A removable bamboo storage tray is included.

James Martin Vanities have everything TileBar customers value: high-quality design, fresh style, and an accessible price. What's more, when you order from TileBar, your vanity will be shipped and delivered in a matter of days.

WHAT WE LOVE ABOUT LINDEN

The ribbed face of the James Martin Vanities Linden collection offers a Scandinavian-inspired cabin feel that adds a contemporary vibe to any bath. Whether you choose one of the two wood grain finishes or one of the two painted wood finishes, this slim vanity sits comfortably in smaller baths and powder rooms. It feels homey without sacrificing interior storage.

- Four available finishes
- Freestanding or wall-mounted installation
- Solid surface sink included, with single pre-drilled faucet hole
- Satin finish nickel hardware included

What's more, when you order from TileBar, your vanity will be shipped and delivered in a matter of days.

WHAT WE LOVE ABOUT MALIBU

Revisit a simpler time with the James Martin Vanities Malibu collection. Designed in a 19th-century California Mission style, these vanities are made from solid birch and birch veneer, with a honey alder finish and rustic iron hardware. Malibu is available in three sizes, each with ample storage. Choose from five countertop options to complement your tile and complete your stylish bathroom.

- Five different countertop options; match your countertop to your tile.
- Drawer combination creates an apothecary-style look.
- Available in three large sizes for spacious baths.
- Interiors and exteriors are sealed with a moisture- and UV-resistant finish.

TILEBAR VANITY Milan Collection

WHY TILEBAR?

TileBar is pleased to offer a curated selection of James Martin Vanities. This manufacturer's reputation as an industry leader is well-earned. James Martin Vanities have everything TileBar customers value: high-quality design, fresh style, and an accessible price. What's more, when you order from TileBar, your vanity will be shipped and delivered in a matter of days.

WHAT WE LOVE ABOUT MILAN

Enjoy simplicity at its finest with the James Martin Vanities Milan collection. Available in four sizes and in three different finishes, complete with multiple, roomy, soft-closing drawers, this minimal floating design is as stylish as it is functional. To top it all off, Milan includes a resilient composite stone solid-surface countertop in either black or white, to complement your tile and tie your bath together.

- A floating installation allows for extra storage below and creates the illusion of a larger space.
- Composite stone countertops are durable, easy to clean, and resist mildew, staining, and UV fading.
- Soft-closing drawers offer ample storage.
- Three finishes to choose from: glossy white, glossy gray, or a rich wood grain.

SPECIFICATIONS

TILEBAR VANITY

Kaleb Collection

tilebar

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT KALEB

Refresh your bathroom with our Kaleb Vanity Collection. Kaleb is a well-designed freestanding vanity that fits seamlessly into any style bath. It features your choice of four different finishes over water-resistant wood construction and a 2.5-inch-thick acrylic countertop. It is available in four sizes to suit any bath—however grand or small in scale.

- Includes interior storage and a convenient open shelf.
- Acrylic countertop included.
- Freestanding style is easy to install.
- Furniture-grade, water-resistant plywood construction.

TILEBAR VANITY Kora Collection

tilebar

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT KORA

A streamlined frame and floating design give our Kora vanity an airy look and feel. Because it's wall-mounted, you can install it at any height and use the open floor space underneath for a storage basket, scale, or bath stool. An even more impressive feature: The midcentury-inspired vanity has a fluted, wood-look printed façade in two different pattern options that give it a striking, three-dimensional appearance.

- Easy-to-maintain polished ceramic top with integrated basin
- Visually striking wall-mounted installation
- Two wide storage drawers
- Durable MDF construction with a wood grain finish

TILEBAR VANITY Marilyn Collection

tilebar

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT MARILYN

The Marilyn Vanity isn't just any vanity; it's a piece of midcentury-inspired furniture that will serve its function with grace. This statement-making collection has a glowing wood-grain veneer finish, with a continuous herringbone pattern on the face of its spacious, dovetail construction drawers. Available in four sizes, Marilyn's frame features mitered corners. It can be topped with either a Carrara marble or quartz counter with a ceramic basin. The collection has so much style and beauty that it had to be named after the iconic film star.

- Warm, wood-grain veneer finish
- Full, continuous herringbone pattern over its drawers
- Genuine Carrara marble or quartz countertop
- Simple freestanding installation

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT MONA

Inspired by modern minimalism, the Mona Vanity collection is an elegant design solution for any bathroom, no matter its style or scale. It's easy to keep looking new, thanks to an integrated acrylic countertop sink—and its four unique color options open up a world of design ideas.

- Polished chrome or matte black hardware
- Two cabinet doors and a full-extension drawer, all soft-closing
- Integrated acrylic countertop sink included
- Furniture-grade, water-resistant plywood

TILEBAR VANITY Nora Collection

tilebar

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT NORA

The versatile Nora Vanity Collection is as essential to your bath as a dresser is to your bedroom. This well-appointed, freestanding vanity has a homey feel, inset panels, and soft-closing drawers. Nora comes with a ceramic basin and a Carrara marble or quartz countertop; it's available in two neutral hues: white or gray.

- Genuine Carrara or quartz marble countertop with a ceramic basin
- Easy-to-install freestanding design
- Decorative hardware adds luster
- Durable; solid wood over plywood

TILEBAR VANITY

Portofino Collection

tilebar

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT PORTOFINO

Inspired by the clean lines of Scandinavian-style design, the Portofino Vanity Collection is as hard-working as it is good-looking. It's available in three sizes and four colorways, including two matte color finishes and two wood looks. Well-constructed, durable, and water-resistant, Portofino makes the perfect centerpiece for any up-to-the-minute bath.

- Versatile and durable
- Clean-lined, contemporary style
- Three convenient sizes
- Four design-forward colorways

TILEBAR VANITY Province Collection

tilebar

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT PROVINCE

For a bold piece with a commanding presence, choose the Province Vanity Collection. This freestanding furniture-style vanity has a stately appearance over its durable wood construction. Province is available in three rich colors and three sizes, with hand-set metallic inlay in its doors, and slender legs. Its two soft-closing doors open to an interior storage space with a shelf. Your choice of a polished stone countertop in either Carrara marble or quartz completes the look.

- Your choice of a Carrara marble or quartz countertop that will elevate any bath
- Easy-to-install freestanding design
- Sparkling gold or silver inlay and details catch the eye
- Long-lasting solid wood construction over plywood

TILEBAR VANITY Sheraton Collection

tilebar

WHY TILEBAR?

Complete your bathroom with TileBar's unique line of vanities, offering high-end style at an affordable price. TileBar vanities are manufactured using the highest quality materials. Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT SHERATON

Designed in a practical style, Sheraton is a versatile vanity collection that will settle into any bath and look right at home. This collection has a clean and simple look, with the subtle embellishment of inset panel doors and brushed nickel or gold-colored brushed zinc hardware. Beneath its stylish exterior is a sturdy construction of plywood case and solid wood. Topped with an optional Carrara marble or quartz counter with a ceramic basin, Sheraton is available in three sizes, each in three colors, making it a simple and effective design solution.

- Classic inset panel doors with soft-closing hinges
- Genuine Carrara marble countertop with a ceramic basin
- Easy-to-install freestanding design
- Brushed nickel hardware adds luster
