| RESEARCHED. DESIGNED. REFINED.

Developing the perfect flooring for any application type requires thousands of thoughtful research and development hours. Today, TileBar LVT represents the industry's best flooring features, bridging the gap between luxe natural flooring and the ease of modern maintenance. Luxurious benefits include micro-beveled panels, sound-dampening acoustic backing, UNILIN angle-drop installation, fiberglass layers and high wear layer options. Explore luxury collections with exquisite value per square foot and a 10-year warranty on every floor.

| FORMULATED FOR SUCCESS

Mapping out a winning TileBar LVT solution means choosing the right product for the right application. Heavy Commercial locations with high-weight deliveries? Light Commercial needs for light rolling loads and heavy foot traffic? Multi-Family/Residential needs that can hold up to any wear and tear? With glue-down and click-in installation options available in all categories, TileBar has developed the perfect LVT solution for your application needs.
