GROUND BROWNS

Brown's appeal deepens, particularly in shades that skew earthen and weathered. The palette's gravitas is heightened by texture, pattern, and layered tonality.

TELOS

Mimicking the look of hand-pressed clay, the Telos collection takes shape in two compelling ways—through oblong, pattern-forming reliefs and lightly pillowed edges. Field tiles without reliefs enhance the collection's versatility.

GRAND TAJ MAHAL IN CLEO DAK BROWN

GRAND TAJ MAHAL IN FAWN BEIGE

GRAND TAJ MAHAL

Inspired by the serene palette, delicate veining, and subtle translucency of Taj Mahal quartzite, this remarkably detailed porcelain interpretation brings its coveted look to a new medium.

THE *FALL* COLLECTIONS

TERRA EMBER IN ESPRESSO BROWN

1 FORMAT AVAILABLE IN 8 COLORS

TERRA EMBER

The Terra Ember collection of terracotta tile is hand-glazed by artisans in Spain, resulting in not only rich color but also beautiful variation that creates a stunning effect when grouped together.

INTRICATE BY DESIGN

Mosaics turn small pieces into patterned works of art, each carefully placed piece of stone or ceramic contributing to a sum that's greater than its parts.

LADERA IN LILAC

1 FORMAT AVAILABLE IN 4 COLORS

LATTICA

Lattica transforms polished marble into plaid-inspired micro-mosaics that feel both classic and contemporary. Drawing from textile patterns, the collection brings a tailored sensibility to natural stone through hand-clipped chips arranged in clean geometric layouts.

ELLERY IN LILAC

1 FORMAT AVAILABLE IN 2 COLORS

ELLERY

A softly structured mosaic with a refined interplay of line and form, Ellery mixes rectangular pieces and smaller square insets to create a pattern with a subtle woven effect.

MOOD LIGHTING

Iridescence, relief carving, and mixed finishes add an interactive dimension to white and cream tile. A canvas for light, their surfaces reflect and refract differently throughout the day.
