*THE SUMMER
SPECTRUM*

2026

This season, color leads. And not just your typical summer brights. Our newest collections are highly saturated, accentuated by high-impact glazes, and sprinkled with texture. Use them in restrained doses or to color-drench entire areas—either way, rooms will radiate their warmth year-round.

06

FRESH GREENS

Summer cycles through many shades of green. Our collections focus on the warmer variations that invigorate spaces without overwhelming.

07

08

SUN-BLEACHED
NEUTRALS

From white terracotta to creamy travertine, lighter shades both complement and contrast with the season's bolder colors.

KINRO
Winter White

05 TERRA EMBER ROSA PINK

TERRA EMBER
Ochre Brown

COLORS OF THE CANYON

Muted reds and earthy terracottas evoke the warmth of desert terrain, with texture ranging from subtly antiqued edges to deeply mottled surfaces.

BIG
BLUES

Quench your craving for bolder colors
with immersive marines, transportive
teals, and hypnotic aquas.

ETERNAL HARVEST

Berry reds. Golden yellows. Warm browns. The richest summer shades are often the most fleeting. Captured in enduring surfaces and finishes, they live beyond the season.

01 KINRO DIJON YELLOW
02 TERRA EMBER ESPRESSO BROWN

03 TERRA EMBER CANARY YELLOW
04 TERRA EMBER HAZELNUT BROWN

01 ESSA DECO TERRACOTTA
02 TERRA EMBER OCHRE BROWN
