*THE SUMMER
SPECTRUM*

2026

This season, color leads. And not just your typical summer brights. Our newest collections are highly saturated, accentuated by high-impact glazes, and sprinkled with texture. Use them in restrained doses or to color-drench entire areas—either way, rooms will radiate their warmth year-round.

COLORS OF THE CANYON

Muted reds and earthy terracottas evoke the warmth of desert terrain, with texture ranging from subtly antiqued edges to deeply mottled surfaces.

BIG BLUES

Quench your craving for bolder colors with immersive marines, transportive teals, and hypnotic aquas.
