TILE THE WORLD

Welcome.

We are excited to welcome you on a new journey with our incredible collections of tile, natural stone, and LVT. We believe that every space and every budget deserve great design, and every designer deserves a great partner. TileBar's amazing team of experts are here to help you through every step of the design process from sample requests, product information, and availability to customer service and technical support.

Our mission is to inspire, promote, service, and celebrate great design and we are so happy that you are here.

Thank you for Joining Us.

A handwritten signature in black ink, appearing to read "Eli Mechlovitz". The signature is fluid and cursive, with a long, sweeping tail on the final letter.

Eli Mechlovitz, President & CEO

OUR MISSION

**INSPIRE, PROMOTE, SERVICE &
CELEBRATE GREAT DESIGN™**

Who We Are

We are a company of leaders in unique architectural surfaces ranging from porcelain, ceramic, natural stone, glass, and waterjet mosaics to luxury vinyl tile. Our passion to be the ultimate design resource is what drives our brand and commits us to partnering with designers and our customers on a real and meaningful level.

THE TILEBAR DIFFERENCE

Our team of experts focuses on the values of creativity and integrity so that our partnership, throughout its lifetime, will be invaluable as a design resource. We provide product knowledge, practical and stylish solutions, industry trends, quality service, and endless inspiration.

ACADIA COLLECTION

This TileBar exclusive line offers a full program of porcelain tiles and 2CM pavers, redefining indoor/outdoor living with the supreme durability of porcelain. With a high variation of faces and a natural-looking matte finish, this line offers an architectural and versatile option for large projects.

COLORPLAY COLLECTION

Architecturally inspired structures meet artisanal crackle for the ultimate ceramic wall tile. Colorplay lives up to its name with 5 neutral and bold colorways. The 4 ½" x 18" format allows this tile to be used for the standard 18" kitchen backsplash with minimal cuts. The pooling of the crackled glaze on the dimensional surfaces will make this TileBar exclusive collection a center piece of your design.

EASTSIDE COLLECTION

The Eastside Collection offers a modern look that captures the authentic quality of subway tile design. An elegant elongated 2" x 9" brick shape and muted colorways create a subtle presence, while the two different low-relief design options, a beveled edge in a matte finish and a framed edge in a glossy finish, offer just the right amount of detail and pattern to create an elevated style.

MICROSAIC LINES COLLECTION

Breathing new life into an age-old medium, these natural stone mosaic tiles evoke the ancient Greco-Roman spirit of marble micro mosaics, assembled of rows of expertly cut stone cubes, while constructing a modern and graphic striped design. Their delicate mosaic texture reinforces a decorative look deeply rooted in a long heritage of architecture and design, while innovating it using pattern.

RIVERGLASS COLLECTION

The River Glass Collection reimagines the tranquil, rustic feel of pebble tile in the refined elegance of glass. This unique mosaic line translates the rounded, diverse pebble pattern into translucent glass pieces, colored in light coastal colorways and subtle color variations. The result transforms this organic and earthy classic into an airy, modern design, perfect for creating a contemporary oasis - installed in pools, shower walls, backsplashes, and beyond.

STORIES COLLECTION

Featuring a unique composition of micro-patterns and color nuances, the Stories Collection takes its inspiration from ancient Roman construction techniques. With its delicate earthy tones and mixed media look, these porcelain tiles are perfect for enhancing spaces and providing decorative architectural visuals. Monocalibrated rectified edges provide pencil-thin grout lines for both wall and floor installation, creating a seamless continuous pattern.

TRUE TERRAZZO COLLECTION

Terrazzo started in Venice; in fact, terrazzo translates to terrace in Italian, which fits since this material is usable outdoors. Made from a concrete or cement base, a mix of stone, granite, glass, among other natural materials are placed atop. The whole thing is sealed with a weighted roller and gets a nice polish. The result is an ever-unique, composite-looking décor option.
