MR CREDIT: BUILDING PRODUCT DISCLOSURE AND OPTIMIZATION— ENVIRONMENTAL PRODUCT DECLARATIONS

- **Intent**

To encourage the use of products and materials for which life-cycle information is available and that have environmentally, economically, and socially preferable life-cycle impacts. To reward project teams for selecting products from manufacturers who have verified improved environmental life-cycle impacts.

- **Requirements**

Achieve one or more of the options below, for a maximum of 2 points.

- **Option 1. Environmental Product Declaration (EPD) (1 point)** Use at least 10 different permanently installed products sourced from at least three different manufacturers that meet one of the disclosure criteria below.
 - • Life-cycle assessment and environmental product declarations.

- **Product rating**

Amadis Fine Tiles' products count with a Life-cycle assessment for the traceability of main materials involved in our tiles. We have a traceability of the clay, taking into account the use and origin of recycle water used in the production process and also the energy consumption and atmospheric emissions.
