WHAT WE LOVE ABOUT EMMETT

The Emmett vanity brings texture and dimension to the bath through a bold geometric carved pattern that spans each door front, creating a layered look. Its clean-lined silhouette is balanced by integrated wood handles and subtle leg detailing, resulting in a design that feels both contemporary and considered. Crafted from solid wood with ash or oak veneers, the collection features Austrian-made Blum hardware and soft-close doors. Available with a white quartz top or as a vanity-only option, Emmett's compact footprint makes it a natural fit for powder rooms and guest baths.
