## WHAT WE LOVE ABOUT GRACYN

A rich, defined woodgrain gives character to the simple, transitional style of the Gracyn vanity collection. Available in natural wood finishes with multiple sizes and storage compositions, these freestanding vanities offer a classic silhouette with soft curving edges, a polished quartz vanity top, and minimalist metallic hardware that enhances its timeless look. While rustic on the outside, Gracyn's spacious interior includes the modern convenience of built-in power and USB ports for charging and easy access to grooming and styling tools.

Its transitional style and organic appeal.
