Our wide selection of trending looks, from sleek and contemporary to classic and timeless, comes in your choice of available finishes and sizes, all ready to ship directly to your door.

WHAT WE LOVE ABOUT KORA BAMBOO

Sleek, modern, and visually arresting, the Spanish-made Kora collection stands out thanks to an ultrarealistic printing technique that lends the appearance of real wood or bamboo with etched fluting—both in traditional linear and chic geometric patterns. Unlike traditional fluting, however, this surface is easy to wipe clean. A streamlined frame and floating design give our Kora vanity an airy look and feel that can be installed at any height, leaving useful floorspace below for baskets, bins, or even a stool.

Features a faux fluted printed façade.

Ceramic countertop with integrated basin.

Two storage drawers with a stylish, pencil-thin pull.

Wall-mounted installation.
