## WHAT WE LOVE ABOUT LINEAR

Striking from any angle, the Linear vanity collection features a modern silhouette enhanced by wrap-around 3D fluting. This sleek and stylish vanity is available in an array of easy-to-style neutrals and a high-gloss, lacquered finish. Great on its own or when installed in pairs, the floating design leaves useful floor space below for baskets, bins, or even a stool. The versatile, Spanish-made collection includes two spacious drawers with soft-close glides and the option of a crisp white zero-radius counter.

Its airy, visually striking look.

Optional vanity top offers design flexibility.

The high-gloss fluted base.

Space-saving wall-mounted installation.
