## WHAT WE LOVE ABOUT CORBIN

Blending sculptural curves with a clean, tailored profile, the Corbin vanity balances contemporary style with lasting appeal. Crafted from solid wood with ash and oak veneers, its softly rounded corners and recessed base create an architectural silhouette with a subtle floating effect. Integrated power outlets and dedicated storage compartments add everyday convenience, while premium Blum hardware, a trusted name in cabinetry, provides smooth, durable function. Available in light and dark wood finishes and offered in vanity-only configurations or paired with a Carrara marble or white quartz vanity top, Corbin brings a modern perspective to the bath.
