## WHAT WE LOVE ABOUT EDISON

A study in clean lines and thoughtful proportion, Edison pairs architectural influence with the warmth of natural wood finishes. Crafted from solid wood with ash or oak veneers, the collection features seamless inset drawers, elongated pulls, and high-end Austrian-made Blum hardware, a trusted name in cabinet fittings. Integrated bamboo organizers and a removeable back panel bring added functionality. Available in light and dark wood finishes, Edison is offered with premium travertine or white quartz tops, as well as vanity-only options for a customized finish.
