WHAT WE LOVE ABOUT MARILYN

The Marilyn Vanity isn't just any vanity; it's a piece of midcentury-inspired furniture that will serve its function with grace. This statement-making collection has a glowing wood-grain veneer finish, with a continuous herringbone pattern on the face of its spacious, dovetail construction drawers. Available in four sizes, Marilyn's frame features mitered corners. It can be topped with either a Carrara marble or quartz counter with a ceramic basin. The collection has so much style and beauty that it had to be named after the iconic film star.

- Warm, wood-grain veneer finish
- Full, continuous herringbone pattern over its drawers
- Genuine Carrara marble or quartz countertop
- Simple freestanding installation
