

PERGOLA

PORCELAIN TILE

Who We Are

We are a company of leaders in unique architectural surfaces ranging from porcelain, ceramic, natural stone, glass, water-jet mosaics, and luxury vinyl tile. Our passion to be the ultimate design resource is what drives our brand and commits us to partnering with designers and our customers on a real and meaningful level.

THE TILEBAR DIFFERENCE

Our team of experts focuses on the values of creativity and integrity so that our partnership with you, throughout its lifetime, will be invaluable as a design resource. We provide product knowledge, practical and stylish solutions, industry trends, quality service, and endless inspiration.

OUR MISSION

**INSPIRE, PROMOTE, SERVICE,
CELEBRATE GREAT DESIGN™**

PERGOLA

Porcelain Tiles

Architecturally perfect. Artfully playful. Minimally stunning. The new Pergola Collection's hexagon shape allows for a new geometry of minimalist cool. Finding inspiration from the Scandinavian mixed use of natural materials, an elegant limestone visual provides the anchor for this collection with the option of finely balanced natural wood tone accents. The 12.5" hexagon shape offers the perfect amount of subtle pattern to the calm and uniform Pergola tiles, while the Wood and Beams accents are placed in such a way as to allow a pattern to expand and fill an entire space. Subtle to regimented to random, every pattern configuration results in success, offering a foolproof toolbox of modern form.
